“ As a classmate of Alice, I never saw her angry but she smile and giggle a lot. I hate in our adult life, we didn't get the opportunity to talk about the good times we had in school!

“ Alice was my dear friend. I will always love her. It is hard for me to believe she is gone but I know God has her wrapped in his arms. God has a way of bringing two people together who would have never thought they would be friends. We could laugh together and pray together. It is a friendship that will always be dear to me. To DJ, Viola and Beatrice and the family, I am praying that God will give you strength during this most difficult time. Your Angel will be watching over you.
