Praying for the family. Stick was a joy to be around. He always made you feel apart and had you laughing about something. He and my cousin Baby James were friends. After coming back to Texas he and my brother Lanny called softball/baseball games. He could really say STRIKE. He will be truly missed. Be Encouraged Family.

Much Love, Marie (Smith, Thibodeaux)

“ *I remember when Stick an his wife first came outta California, I was a freshman at Prairie View, bck in 1976 I think it was, he spotted me from afar, I was so happy to see him an his better half. He was always full of smiles an whenever you saw him he was a great greet. When he greeted me it was like we hadn"t seen each other in 5 to 10 yrs. an it probably was the wk before when we last saw one another. lol' My cousin will truly be missed on my end cause he is the best. You know when you have that favorite football team or basketball team, well Stick was my favorite Cusn team. I love you Stickalou an your memories shall follow me for the rest of my life. Rest easy Baby!!!!*
