“ *To the family. It is with deep sorrow that I leave this message. She was such a nice lady always had a smile. I can see her giving her service at church on the usher board. She would do readings on other programs. She has been down a long time but God knew she needed rest. May God bless and keep your family now and always.*

“ Ursula,

My heart goes out to you during this time. I know it hurts and I can't say the pain will get any easier, but lean on your memories. You are a wonderful grand-daughter. You made sure she had what she needed and you visited often so don't feel sad. Cherish the times you spent with her. Know that you did the right thing by her and she will be smiling down on you and Peapot every single day. Love you sis.
