

Barbara Green

May 1, 1959 - February 22, 2021

Our beloved Barbara, God lent us your energy until it was time for him to call you home. In this life you were a daughter, a mother, a sister, and a wonderful grandmother. We will remember your enigmatic persona and your will to do great things. Barbara always had her way of seeing things and ensured the people around her knew what she felt and expressed how she felt however necessary. Barbara brought two children into this world-Carl Green and Fayvia Green and from her children she had two grandchildren Logan Lewis and Mikah Lewis. Barbara was a God fearing woman-not people fearing, but definitely god fearing. Those who knew her "Knew Her". She rarely left how she felt about anything undisclosed. Her faith led her to always say "God's got me" and we believe she was definitely right about that.

Left to mourn her passing is her mother-Gladys Pryor, her brother-David Green, her children and grandchildren and her niece affectionately called "niecy" Elise Green. She also has a host of aunts, nieces, nephews, cousins and friends who also mourn with us the loss of Barbara in this world.

She is preceded in death by her older sister Alicia Green and her aunt Carolyn Sessum two people who knew her best. God has given us an Angel and she will never be forgotten. We appreciate all the love and prayers sent to us in our time of grief. As Barbara would say "I've lived my life without a bit of shame and I leave you here to do the same. See you when I see you—B.E.G.
