“ *One memorable memory: how honored and excited I was to see her come to our first "cousin feast". She was the only person there who was not a cousin. She was 'our auntie and she fit right in.*

“ *How sad this news is of Ms. Bessie's passing. I will never forget her beautiful smile and warm greeting every time our paths crossed. Most impressively, I remember her empowering love towards family. Thank you for loving us as if we were your own.*

Doug, Nicole, and the rest of the family... May God carry you during this time of bereavement. We are here for you.

Love,

“ Dear Douglas & Nicole,
It is with great sadness that we share in your loss. This has been a tough time for your family but God has you all in the palm of his hands. Trust in him with all your heart and he will give you all that you need. We love you all and will continue to lift you in prayer. Give us a call if there is anything that we can do. Be blessed now and always.
