“ *I miss being able to tell Tony anything. I miss playing board games with him and bo against my mom and I. He would say freaking A when we beat them. I miss feeling protected if someone was bothering me I'd tell Tony. He asked me to go to chilis when he got his driver's license, I told him ok but I'm going in my pj pants he didn't care. I miss his singing and rapping all the time. He said it was wrecking or something like that. I can't stand this hurt.*
