“ *Mrs. B was the sweetest lady. I loved the times she and I would talk in the mornings before anyone really got to Webb. She was the most caring person I have met. She will definitely be missed in the Navasota area. Prayers for her family.*

“ *Found these today in the teachers lounge at Webb Elementary School. Mrs. B was so sweet and loved dearly by her school family.*

“ Bronica kept my nurse’s office tidy for many years; cleaning up after sick children isn’t pleasant for anyone, yet Mrs. B did it with a smile and w/o complaint.

I also had the pleasure of having Bronica travel with me to see her Mom, in Many, LA.

I now regret not getting the chance to take her to Natchitoches. May each day get a little easier for all of you who have had this special gal in your lives-prayers for peace! Teresa Dodds, RN
