“ *Wow, this is really hard, Mrs. Camille has been in my life so long, every since I was 8 years old, Sonya and I were BOTH in the 2nd grade and we become friends that day, we actually met on the telephone earlier b/c our sisters were friends, so Sonya and I would talk. Mrs. Camille and my mom were good friends, my mom used to call her Camilla, and my dad and Mr, Wesley (MEAT) and my dad were friends. Our lives are so parallel to one another that SONYA and I were predestined to be best friends. I remember Mrs, Camille was a great cook at Rustic Oak for many years, she made THE best chocolate chip cookies with pecans and German Chocolate cake, esp when I was pregnant. I want the family, my family to know that while I am only a phone call away, GOD is just a prayer away.*
