“ *I will never forget how he used to invite us over on the weekends, and we would bring a dish and he would cook also. He was always willing to lend a hand with whatever you need it. Our last adventure was a trip to Houston to pick up a power chair for my dad and only he could make it exciting. I also rememberhow he always called to check on me and my family I will miss you uncle and I will finish your book like you asked me to hundreds of times, I just never imagine you would be gone but never forgotten.*

“ Uncle Charles I have so much to say about a kind hearted person like you. I'm still in shock. Now that you are no longer here it's hard but I will be ok. I will miss you at family gatherings!! I will miss you saying come give me a hug Shawnte!! It's ok I know your spirit will be with us. This is really hard for me to accept I know we all have a sunrise and a sunset. God makes no mistakes. He took 1 of the most precious Angels in the world. You are in heaven with uncle earl having a blast. Tell him hi for me. I love you always and forever!! 🙏 your niece Shawnte Felder Nolan (Big Annie) the name you gave me when I was little.

“ I remember having my son and my Uncle Charles was one of the first people to come see him in the hospital. My son Bradley looked up at him and just chilled with Uncle Charles. Now Charles had no car or nothing but he came somewhere near 50 miles to hold my boy. That was Charles he always found a way. Drop him off in the middle of almost anywhere and he would survive. Some may have wondered why he did some of the things he did or how. I just look at is as he figured out a way to live the life we all work and save for, so we can do this at 65. He was doing it at 40 LOL!

If there was one person you could call about anything it was Charles. He always understood and always made you laugh. So Unc thanks for helping me through some of the hardest times in my life and giving me some of the greatest. Miss you and love you.

“ Well first off *The Good Lord* makes no mistakes! He knew you were tired and ready to come home. I cry and cry every time I think about the good times we shared. Uncle Charles you were a good person/uncle with a big heart. I would sit and think about how you called my phone every five minutes just to tell me you love me and you wanted to get on my nerves. I miss you so much but until we meet again I love you and you will always be my favorite uncle. I will also feed and look out for your 26 or 27 ducks. (KIDS) YOU WILL ALWAYS YELL AND THE GAME. I love you Uncle Charles Rip Gone but never forgotten 😞 your niece Cherrelle
