“ I have always known that Charles was my cousin, I remember we used to go to the family reunion down in Hockey, I was much younger back then. Fast forward to 2004, I had just started working for Samsung and son funeral home and my cousin Charles Toler and I became very close, I remember my first funeral and he showed me the ropes. We visit each other often and I will never forget to bond that we shared #TOLERSTRONG

“ First of all I'm sending love and prayers to my Toler family...I remember Charles from back when I was a child...he and Cousin ANDREW, RIP would come to my grandma HUN'S, RIP to visit and eat on many Saturdays...there were days when I was growing up that I would 😞 meet him at Koshe's greyhound bus station when he came home from Houston driving the city bus and walk with him to Velma's house...skipping a few other memories leds me to remember 😞💔 that my children always wanted him to fill up the bed of his pickup truck with water so they could go swimming...lol...anyone that was blessed to know Charles was always given a positive impression of his character.

“ TO: THE TOLER FAMILY

FROM: THE THOMPSON FAMILY

We grew up together. We dated and married our High School Sweethearts. That was the good times we shared collectively. So Velma, James and Charles are together in Heaven in Glorified Bodies.

So Velma and his children, it was his time. God's plans and timing is not our plans nor our timing.

In these days of sorrow, know that you're not alone, you are in the prayers, the thoughts, and the hearts of the Thompson Family!

*With Sympathy,
Gloria Marie Thompson & Family*

“ Now who am I going to fuss with? He use to tell me I was mean just like Mr. Dad and we'd have a good laugh because I would say that I wouldn't have to be like if you didn't pick on me. All in fun, he was a person and will be missed by all who knew him
