“ Truly a rare find is a man who finds no job too small, too worrisome, too overwhelming, et cetera. Mr. Mosley seemed honored to be asked to serve PVAMU at any time of day or night. Never was there doubt about the results of a task if he was the one who performed it. Mr. Mosley was a model employee and a model human being. We all miss him so much that it hurts deep inside. God and the angels have brought home a wonderful servant of humankind. To God be the glory.

*I had the opportunity to work with Mr. Mosley when preparing for all major University events. His energy level was far superior than his younger assistants. Through his excellent lead, his memory will live on. May he rest from his labors...*
