“ Where do you start. From childhood were always friends. Ciffy and Earkie, those were our childhood names. From the playground across the street from your house to Bobcat Stadium. Thick as thieves we were. First two Quarterbacks of color in Hempstead ISD. Going to miss you my brother. My love and condolences to Mrs. Louise, Joe Jr, Shirley, and Carolyn (my family). “ Well Clifton we always check on you at the car wash could not find you a few weeks ago Miss seeing and talking and laughing with you when I visit home. We were next door neighbors played together in the streets, in the school yard which was our park. So many memories. You whispered in my ear at our church homecoming about your condition, never had an idea that this would be our last conversation. Rest in peace...Lord strength the family in Jesus name.

“ *My Deepest Sympathy to the family of my best friend Cliff.*

*God saw him getting tired  
And a cure was not to be  
He put his arms around him  
And whispered come to me  
He didn't like what you when through  
And he gave you rest  
His garden must be beautiful  
He only takes the best  
And when he saw you sleeping  
So peaceful and free from pain  
We wouldn't wish you back  
To suffer that again  
Today we say goodbye  
And as you take your final rest  
That garden must be beautiful  
Because you are the best.  
Peggy – Renton, WA  
Take your rest brother, you will forever live in my heart.*
