“ *This is hard to believe that our dear friend and coach has taken his wings and gone on to glory. Our sincere sympathy to his family. He was always a pleasant person and gave respect and made sure his students especially the young men showed respect. He would not allow the young men to enter a building without taking off their cap or hat. I so much appreciated that. We will miss you Coach Gilliard but RIP for you have earned your wings. May God bless and keep his family.*
