“ Pastor Darrell Turner Sr./Cousin May you get your rest in Heaven 🙏 I will never forget “Family House of Prayer and all the teachings of the Bible you instilled in us and saying “You better learn how to Pray for yourself” And I can never forget your favorite song you always used to end Church with singing 🎵 You can't hurry God no you just have to wait you have to trust him and give him time no matter how long it takes, he's a God that you can't hurry he'll be there so don't you worry he may not come when you want him but he's right on time 🎵 You will be missed although it's been awhile since I had seen you memories never go away. My Condolences and continued Prayers are with your Family 🕊️

“DT is what Edward and I called you when you were a little boy to make you angry back in the day. Cuz I still remember our last personal conversation we had when I was home from doing that Army thing and it render memories when Aunt Mae was going to give Edward and I the beat down for smoking cigarettes and you ran out the house to the neighbors house. Somehow with you always playing jokes on your siblings you, Edward and I was ALWAYS on Aunt Mae's most wanted hit list. Aunt Mae's most wanted hit list from our childhood is always going to be our special history forever as your twin dimples and welcoming personality continue to bring a smile to our faces when we think of DT. Upon arrival to your final destination your mama and big brother will be waiting with open arms welcoming you to a new life so you all can smile and laugh at memories made in a different life with an unbreakable bond. Wayne, Candice, Caleb, Craig and Ronda Lynn I send my prayers to all of you from the circle of family love to continue to support and Love each others as deep as still waters. RIP, DT.
