“ *To Earlene's Family,
It is sad that she has gone on but she is no longer suffering. She was my neighbor for a few years and a good one. She didn't bother anyone but would let you know if something went wrong around your place. I am grateful for the time shared with her. We went to school together. We will miss her. RIP EARLENE*

“ I want to send my love to the my family, I grew up with you all and Aunt Earline will be missed. I am glad that her suffering is over. You family don't have to be strong, because the Bible says that you have to go through the grieving process. I love you all.
