“ *Life is not how many years you live but how many people you leave a mark on. ”*

*Dr Noel left a mark on so many students, faculty and staff members at PVAMU and beyond. She was an educator, a mentor, a mother, a colleague and a friend. Her infinite wisdom and patience has guided and shaped so many of those who have had the the pleasure of being in her company, she will be missed by the PVAMU community.*

*Dena: May the love of those around you help you through the days ahead. My prayers and well wishes go out to you, your family, and your Mom's many friends and loved ones during this time of grief.*

“ *I pray that God gives uour family the strength and courage to get through these trying times. I was never formally introduced to Dr. Elizabeth, but from knowing a nice person like Dena speaks volumes in the wonderful way your mother raised you (she did a awesome job).*

*Jesus said to her, "I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die." -John 11:25-26*

“ God was walking in his garden and decided that he needed someone who was caring, kind, beautiful, hard working, sympathetic, patient and someone who loved HIM, therefore; HE chose Elizabeth NOEL-one who has done so much for so many. I shall never forget how my aunt, Mrs. Tapscott (now deceased at age 106) convinced her to love little children. Dr. NOEL followed her advice and later organized the nursery school, with Mrs. Tapscott as her cook here on the campus of PVAMU. She finally loved children and remained in the area of Home Economics under the directives of Dr. Flossie Byrd. She now leaves a beautiful daughter and many students to cherish her memories.

*The City of Prairie View, The University and anyone who knew Dr. NOEL will surely miss her.*

*We will continue to pray for the family.*

**DR. NOEL WE WILL TRULY MISS YOU!**
