“ *Because of strong and current roots in Brookshire, Waller County, Austin County, and Hempstead, my suspicions of being related to Ms. Eva's daughter Tisha (when in graduate school together) were confirmed. I met Ms. Eva at our graduation and she was a delightful person and Tisha, like the rest of the family, were chips off of this strong block of a queen. My deepest condolences go out to the Webster family on behalf of the Bostick, Paley, Sams, and Smith families.*

“ I can truly say that Mrs. Eva Pearl was good to ME. I would go over to visit her even those days that I KNOW she did not want to be bothered, I still strolled right on in and sat right on the couch and we watched movie after movie. She would always bring me a Whataburger when she had to go to the doctors and I would do the same. I loved Mrs. Eva Pear because she was an open book, she did not put on airs she was who she was and THAT I am going to miss. Rest Easy Friend.
