“ RIP Francene! When I saw your name I couldn't stop thinking about our fun times in Basketball at good ole MW High! I looked up to you and all your athletic skills! You tried really hard to teach me some of those skills but eventually we both agreed Basketball wasn't my sport! LOL. I did appreciate your patience and kindness. God be with your family! 🙏

“ I have been sitting here all day trying to find the right words to express what you meant to me, and all I could come up with is "thank you." Thank you for the love that you've always shown me since I was a kid. I love you Mama Poole, and will miss your beautiful smile, your beautiful heart, and just being able to hear your voice. Don't worry about Pops, Yo, and Kenta. We got them covered. Rest well, and love you always.

*I will always cherish our memories in school at PV. I will never forget studying for the EXCET exam. You would never allow us to start the study sessions off without prayer. I also enjoyed coming to your home and we both sharing the outfits we were sewing at the time.*

*Rest In Peace my friend!*
