“ *It has been over 30 years since we have seen "Miss Frankie". She took care of our baby girl in Navasota long ago and we loved her instantly when we met. To this day, we use many of her sayings - always with a smile. When we first talked about taking care of our newborn daughter, I told her all I wanted her to do was love our baby. She said, "oh, I don't just love babies, I praise babies!". And she did. I could hear her singing before ever entering our home. Our daughter grew up with the sweetest spirit and Miss Frankie planted the spiritual seed. We will always remember her with love and gratitude. I'm so sorry we are just now learning of her passing, a year too late but we will see her again one day in heaven. God bless her family.*

“ *I will miss you Aunt Frankie. I remember when she visited us in New York. Both Mom and Aunt Frankie watched movies and laughed. She always gave great hugs. Now Aunt Frankie and Mom are together again.*

*Much Love to the family,

“ *It is with a sad heart that I learn of your going to be with the Lord. You were such an awesome lady filled with the holy spirit. Will miss the beautiful voice and songs that you shared with us. We know that you are resting well and sharing precious moments with Anthony. RIP MS BAKER until we meet again.*
