“ *My deepest sympathy to the family of Mrs. Frankie Rigsby and God's Grace and Mercy for the beautiful woman. I first met Mrs. Rigsby in September 1973 in the Telephone Office in the College of Industrial Education and Technology and immediately befriended her because of her spirit and pleasant personality.*

*There were three ladies Mrs. Vera Armstrong and I don't remember the other's name) working in the office at the time and they were like sisters - all kind, kindred spirits and love for their careers - Telephone Operators and Humanitarian.*

*I guess you can surmise that I had this affinity for mothers because they all enjoyed the company and the addition of another son. [sic]. I could count on all of them for some of their fine baking and cooking.*

*We stayed in touch after her retirement and off course she would always have something for me to eat whenever I visited her.*

*She will surely be missed and legacy lives on in those who had the pleasure of knowing her and enjoying her company, sage advice and fruits of her labor and love.*

*Rest on Mrs. Rigsby . . .*
