“ We the members of Hempstead PV-Alumni Chapter sends our sympathy to the Family of Mr. George Higgs. A man who was a faithful and loyal member; one who was the founder and Past President of the Hempstead-PV Alumni Chapter. A man whose light shine at Prairie View, Texas. He knew the true meaning of leadership and never counted the cost of loyalty. We as a Chapter are weeping today, for we have lost a man of vision. His whole life was dedicated to service in regard to all organization affiliated with the National Alumni Association and Prairie View A&M University. We will miss him but we pray that another will be inspired to carry on in the work of the NAA with as much passion and dedication that he had. With lasting gratitude for his exemplary life, his tireless and unselfish dedication, the good he did, the things he taught, and the inspiration we felt; we dedicate this hour to him. From Gloria Marie Thompson, President, Officers and Members

“ *Mr Higgs was wonderful Math teacher and learned and understood math better by the way he taught math problems. He was also a funny man and had a great smile . He was not able to come our 45th class reunion in June 2017 but was there in thought. He had a wonderful life on this Earth and will be missed. He was a very special person to all those on Prairie View campus. RIP Mr. Higgs.*
