Sis Gladys will definitely be missed. She was genuine and she was real. She fought the good fight until the end. My Sister was a loving and kind person who loved God, her family and friends. She was so faithful and full of humility. I could call on her anytime to sing and she would press her way with a big beautiful smile. Sis I'm going to our long talks and your encouragement. God knew you were tired and he wanted you to take your rest. I honor you my Sister for being the Genuine Anointed Singing Servant you were. And you were very very REAL. May God continues to comfort and keep your babies safe in HIS arms and watch over your Father, your siblings and all your entire family. Job well done. It's OK to Rest now.

“ My sister-n-law, one who stuck closer than a biological sister would have. In fact, your last communication with me was "thanks for loving me, and thanks for always treating me like family. "RIP my love. God is Good, now you will experience the everlasting, eternal goodness of God because you have made it home to be with him. To the entire family, be strong, and as Lillie has stated in one of our talks, "absence in the body is presence with the Lord". To God be the Glory. I will remember all the spiritual uplifting you rendered, I will also remember you stating "keep God first", "don't let anyone destroy your spirit", and continue to do what pleases God. We will say goodbye for now, however, we will see you on the other side, your sister-n-law 4-ever, with LOVE, Dr. A. Hurd, PhD, better known to you and others as (Peaches)!!
