“ *My favorite memory of Mama Glo was how no matter when I seen her she always was smiling and she always had a kind word...she loved children.. I was a young teen aged mother and she did not mind lending her advice and sometimes even taking over I remember when my oldest was just a baby probably around 8 mos. he fell and bumped his head and he had a big knot on it, Mama Glo and his grandma Shorty got him and put their Famous witch hazel on it...it was the cure to all scrapes and bumps..and anytime Daedrian went over and came back he was baby oiled down.. She was an amazing person with an even more amazing Heart. She loved her family and it showed through her daily actions.*

“ *Gloria could certainly put out the food. But, the best part of sitting at her table was her teaching me and Carol to play domino's. That difinitly was what she loved to do. A great friend and wonderful child of God. Her bright smile and big eyes will be missed at Foster Close. We love you, Paige Crockett*

“ *There aren't enough words in the world to explain how much I love you, and how great you were to me. Not only were you my auntie, but you were also like a grandmother to me! I can't just write one memory because we've shared so many memories together, and every one that we've shared was special! I will always remember you as a beautiful person who would always do whatever she could to help anyone one out and would never think twice about it. Not too many people in this world are like that. You were one of a kind. It hurts me to know that when i walk down the street to your house that you won't be there, but i know that you are in a better place looking down on all of us and i thank God for placing you in my life. You will never be forgotten, So I won't say Goodbye because we only part to meet again.*

R.I.P Mama Glo

I love and miss you!
