“ *Grace Goodie was a very kind and sweet lady. She always had a pleasant smile and always shared words of encouragement to all who knew her. May God Bless, watch and keep the family during their time of bereavement. I met Grace many years ago during undergraduate school through her brother Howard Goodie who is also a good friend of mine.*

“ I was truly troubled to hear of the passing of Dr. Grace Goodie, I first met Grace at Prairie View A&M University. She was my very first professor as a freshman entering the university, this was over 5 years ago. Grace inspired me as a young pupil. She was one of the inspirations in my pursuit of medical school. I was trouble to hear of her passing but to be absent from the body is to be present with the Lord. She is and always will be in my heart.

“ I was introduced to Grace at the grave site of my cousin in Baton Rouge, L.A. She greeted me with a big smile. We exchanged small talk, briefly. Brian and Grace shared a loving and happy friendship. Our greatest comfort in sorrow is to know God is in control. With Heartfelt Sympathy; Barbara (a cousin of Brian)

Dr. Goodie was truly a one of a kind person. She'd give her time and talents to help all that she could. I'm sad that she is no longer with us, but I'm I also know she sits with our father so for that I smile. Dr. Goodie we will miss you, save a seat for us up there. Much love.
