“ *As a young student, I admired his passion for teaching. The fact that he drove back and forth every day from Prairie View to Houston to teach History was only part of his dedication to educate us, his students. I will never forget him.*

“ Mr. Cyrus was one of those people around campus who could make your day a wonderful, abundant one because he smiled always and was never too busy to stop and chat with you. If ever there were one who deserved to be cloned, Mr. Cyrus was the one. My late husband, Rev. Sam I. Smith, Sr. met Mr. Cyrus over in the MSC. They saw each other regularly and shared stories. The very presence and demeanor of this proud, productive, Panther have made an indelible impact on scores of students, faculty and staff. We must rejoice that he passed our way. May God receive him with open arms and a front row seat from which he will have a clear view of what the students down here on the " Hill" are learning and doing. Loved Mr. Cyrus
