“ I sit in disbelief of your passing. I know you are in a better place than I am I remember the days of your youth and how you would mess with Tiny and I and we had to get your mom to make you stop. But you were always telling us what you thought we should do. You were that brother that was loved by your sisters so much. Thanks for being a light in my lift that shined bright. Romona, Tiny & Shawn you all are in my prayers & thoughts.

I pray God wraps Ramona, Tiny, Shaun, & family in comfort & protection, giving them strength during this time. “ I knew Hoover since early 2000’s when we were both working for BP in Indonesia. We formed a great bond of friend there which was strengthened and continued when we both went to work for Lundin Petroleum in Malaysia. This is from me and all your colleagues in Malaysia including John Zerbi, Michael Foster and the simply wonderful Ms. Ping. The world has lost a gentleman and we lost a superb friend. We will all miss you Hoover.

“ *I'm still in disbelief that Hoover is gone. Even though we had not seen or spoken in years, I still considered the Wright Family part of our family. We were friends and teammates. I would go to his house and he come over to mine to play. The entire Sams Family mourns with you in your loss of such a wonderful person. May God bless you and care for your whole family, now and forever.*

“ I met Hoover in 4th grade in Waller, Texas. He was very bright and almost always had a smile. I enjoyed playing football at PE in 6th grade. We went to school on the Prairie View A&M campus at that point. I especially enjoyed playing 7th grade football with Hoover for Waller. I also have fond memories of him in science and math class.
