I met Duck about 15 years ago and with a handshake we made a deal. Today the trust and respect has never been broken and a friendship was cultivated which prospered over the years. I will truly miss him and my condolences to his family and friends.

“ Always a bright light, smiling and friendly to everyone. Our last conversation about a month ago we reminisced about the good old days. If only I knew that was the last time....May he rest in peace. God be with all his family in this time of grief. Much love to you all

“ *To the Glover Family,
You will miss your family member but know
that God gives and he takes away. He has
taken his own so now you must work to see
him again. May God bless and keep each of
you.*
