“ To my AMAZING DADDY .

I miss you , I love you , I adore you , I admire you , Im in awe of you ! THANK YOU for giving me a life with UNLIMITED amounts of love and sacrifices ! Had it not been for you daddy I don't know WHERE I would be. you have sheltered my soul in a safe place and you have given me such comfort throughout my entire life .

I have nothing but sweet memories of you , and my heart is heavy and saddened that you are no longer here in the flesh with me , but what I do know is that to be absent from the body is to be present with the lord . I can not WAIT to see you again ! But until then Watch over me , walk with me & wait for me ! I love you daddy ! THERE IS NOBODY ELSE IN THIS WORLD LIKE YOU ! Thank you again for EVERYTHING you did for the last 28 YEARS for me ! you paid a DEBT you did NOT have to ! I love you SO MUCH ! "ashes to ashes , dust to dust" Until we meet again my sweets !

“ James Weldon “Shank” Bean had a mentoring quality in him that just by his presence announced “I’m in charge”! Older people feared him and younger people wanted to be like him! He is not the only one in the Bean family possessing that quality they all had it from Albert to Edna! I was blessed to have him in my life may God bless all the beans! I will always remember my cousin “SHANK”!
