“ *To Gloria and Regina,
I look back many years ago when we were neighbors. James was quiet and always had a smile. He went through many trials with his health but he weathered the storm. I pray that God will give you comfort, strength and peace. Be blessed and much love to: both of you.*

“ Louis and Robert,
I was so saddened to hear about James passing. I had not seen him in years but I can recall the times that I did and he always had a smile on his face.
Remember God makes no mistakes and to be absent from the body is to present with the Lord. I will continue pray for the family that God's peace that surpasses all understanding will be with you and your family at this time of grieving.
