“ *Mr. Lewis taught me woodworking in school at Brenham ISD. He was so loving, kind, and patient with all his students. All the students loved his class. His impression is lasting, and when we reminisce, his name always comes up. I am going to miss you.*

“ *Mr Lewis was a very quiet man. He talked but not a lot. He would come to church with his wife and sit on their pew. He enjoyed service and would go out very quietly. We have missed both of them from worship service.*

*May he rest in peace. Ms Lewis may you find comfort, peace and strength during this time.*
