“ *My sincere condolences to the family of Mrs J. (Chick) Tompkins, I affectionately called her cousin Chick. She and my mother worked together for many, many years at the laundry on PVAMU campus. We would often meet up at the grocery store and have our lengthy conversations. Such a sweet and caring person and will definitely be missed*

Was such an inspiration to me. Served the Lord until he called her home. I tell people all the time about how she and the members took time out with us since we were children at the church. Rest in peace woman of God. Darlene and Gwen and the family, may the Lord be your strength ❤️

“ To the Thompkins Family,  
Ms. Chick has been a family friend and church member since my elementary school days. I will always be grateful for the role she played in helping to shape my life since Bible School and for being a part of our community that made sure she always told us right from wrong and kept us in line no matter where she saw us because she realized that it took a village to raise kids. She was also a loyal friend to my mom and aunts and I will always appreciate her for being there for them. My condolences to you all and may the Lord bless you and keep you through these difficult times. She will definitely be missed. 🙏
