“ Thinking of the Brandon Family and sharing in your loss. Although, I can't find words to express the sympathy that goes out to you today, My heart and my prayers are with you at this time. May you find comfort in your memories as I, myself will always remember his pleasant smile, his easy going personality (even in adverse situations), and his Bible lessons I attended and the love he had for his family and people in general. I thank God for the opportunity to assist Rev. Brandon, his wife, Barbara and several of their children with there insurance needs. And of course, I still remember the Tuesday morning I drove from Hill Country back to Hempstead to meet the Brandon siblings at Granny's HomeStyle Meals for a business opportunity meeting their father hosted privately for them.

Just got my invitation in mail on Wednesday, August 22nd, to attend "Family and Friend's Day" on september 16, 2018. God is Faithful!

My Deepest Sympathy,
Nora Hodges

“ I didn't know Pastor Brandon but I have the opportunity to know his son John while he was in school at PV and worked in the Registrar's Office. John I pray that your family will find comfort and peace during your time of sorrow. Be blessed and much love

“ My daddy was *THE MOST* God-fearing, genuine, and remarkable man in the universe. He treated everyone fairly, and would literally do anything he could to help anyone in need. He was a goofy man with an exceptional personality, but for some odd reason, many people were intimidated by him...for whatever reason that was (wink wink). Please continue to keep my family in your prayers. We thank you all in advance for your ongoing support, prayers, encouraging words, and the countless memories you may have shared with my father.

Reverend John Brandon was one of the most dedicated, compassionate, and righteous men of God I have ever had the privilege of knowing. He cut no corners, nor did he mince words. He was serious about his calling, and that caused those of us in his orbit to stand up straighter and be more serious about ours. He was a strong tower and a man of his word. The Beloved Community has lost a beautiful, beautiful soul. To his family, my prayers are with you. Be comforted in knowing that God understands the language of tears. #villagelove
