“ *Nannie you have touched the lives of everyone around you. You always had a warm smile, a hug, and a compliment for me and when I was having a hard time dealing with the behavior of some kids in my classroom, you offered encouragement and told me exactly what to do. I will never forget that. I will miss your laughter. It was like music. I love you forever.*

“ *Nannie I know you are resting in the arms of God because your life was dedicated to Him. I am going to miss the time we spent praising and talking about our merciful God. I am going to miss you telling me " Just praise Him, sweet baby". I love you Nannie....always*
