“ Kenneth my homeboy you are going to be missed and I am going to miss you picking me up from my hotel and hanging out together when my Army job would send me to San Antonio TX. Last month was the last time we talked about meeting up at home and our military times spent in Germany doing the clubs and traveling in Europe and France after the Gulf War. Our boyhood dreams fulfilled hope to meet up with you on the other side in the New World.

“ While I only knew Kenneth a short time we immediately hit if off with our love of Hempstead. Growing up a few miles away in Brenham I always enjoyed hearing about his trips home. My thoughts and prayers are with his family & I hope you find comfort in remembering all the wonderful times you shared together.

*Kenneth and I shared many laughs over the years we worked together. He was always very professional, but had a quick wit and dry sense of humor. When he spoke about his children, grandchildren, horses or gambling, we would smile from ear to ear, with a gleam in his eyes. You could tell he was very proud of his family and enjoyed spending time with them. My heart aches for his family and I am saddened that he was taken at such a young age. Kenneth always had a thirst to learn and accomplish tasks in the most efficient way possible. His absence at Dykema Cox Smith has left a huge void in everyone's heart and a sad quietness in the hallways. I feel very fortunate to have known and worked with such a special individual. He will truly be missed. May God Bless.*

“ *Our law firm was very fortunate to have had Kenneth on our team for many years. He was a special individual, always friendly and smiling in the hallways and working hard to provide support to our lawyers and staff. He will be sorely missed by all of us! You are in our thoughts and prayers, and be assured that Kenneth is brightening someone's day in Heaven.*
