“ *Kenneth Paul we have known you like a brother for over 50 years and you have always been kind, never ever having a conflict with anyone. Your smile is unforgettable. God has completed a good work in you! Keep smiling down in us our little brother.*

“ *Ink, it's so hard to believe that you are gone. You will always be my "Unconditional Faithful Friend". You're a good person, with a heart of gold. Earth's lost; Heaven's gain. You may be gone; but you will never be forgotten. Thanks for how you always took time to look out for me; and no matter what the request large or small you were always there to assist me whenever I called. I know if I live to be a hundred or more I will never find another friend like you; because they don't make them like you no more. Rest in Peace, my "Unconditional Faithful Friend" to the end. Sincerely, Sophia*
