

## Mrs. Lashonda W. Crawford

January 2, 1971 - June 29, 2012

On January 2, 1971 a beautiful baby girl was born in Hempstead, TX to Ms. Allien Vivian Powell and Mr. Tommie Lee Emerson whom they named Lashonda Wynette Powell. She was the second of four children, two boys and two girls.

She grew up in Brookshire Tx and attended Royal Elementary and Royal High School. She was a member of St. Paul Baptist Church and was baptized under the leadership of Pastor AJ Williams and remained a member under the leadership of Pastor Lee Jones Jr until her departure.

In May of 1988 she was blessed with her first daughter Ms. Courtney Denae Powell (Frederick) who was a inspiration to her mother, after growing up and moving to the waller area they formed a close relationship like sisters. She was very proud of her daughter being the first to attend and graduate from Prairie View A&M University.

On January 24, 1994 she was blessed with her second daughter Ms. Antoinette Lashon Wilder who graduated this year June, 2012 with her mother being sick and not able to attend her graduation and she is now on her way to Prairie View A&M University.

December 4, 2001 she was blessed with her only son whom they named Nathaniel Jerome Crawford Jr.

She was united in holy matrimony to Mr. Nathaniel Crawford Sr. whom she loved dearly and he loved her. The two shared a bond together, through this another daughter was added to the family whom she loved as her own Ms. Jossalynn Crawford.

She was a long time employee of The Oaks Brookshire she also worked for Krause Treatment Center in Katy, TX, Grace Care and Cane Island Nursing Center where she was employed until her time of sickness. She came in contact with many people that loved her. Shonda loved working with the elderly. She would drive the miles to care for her mom until she became ill herself. After being ill for some time, in the afternoon of June 29, 2012 God looked at the role and saw that her job down here was complete so he called her name and she answered the call.

“ Yet, how often do we see a situation with an understanding that only comes from GOD? It may be impossible to understand everything from God's perspective, but because of the Cross we can see people, circumstances, situations, and the world around us in a different light. The agony of childbirth that results in the miracle of a new life. A lost soul that finds Christ in the midst of tragedy. A life that is completely changed by the knowledge of God. Your beauty filled God's creation. The special uniqueness and value within you as an individual, a mother, a wife, and a friend will be missed. To my family rely completely on God, and you will find the strength to overcome every trial. God makes our lives a medley of joy and tears, hope and help, love and encouragement. May our Lord Jesus Christ Himself and God our Father encourage you and strengthen you in every good thing you do and say. 2 Thessalonians 2:16
