“ *Wow this is a shock to me. Had no idea that she was ill. My time with Lois(Sally) goes back some years. She was my neighbor and our kids played together in her front yard or in my front yard. They developed a friendship that is still good today. She was a good neighbor and when she worded for D&S in Brenham we had an opportunity to talk when she came to pick up her consumers. She was a wonderful person. To her children, her siblings and other family members you have my prayers and condolences. May she RIP.*

“ It all started at Mt Corinth Baptist Church when we were grade school age. We were in the choir, usher board, Sunday School, BTU and whatever else was there to be a part of. Became friends and it continued until now. My mother and I send our sincere prayers, love, and heartfelt condolences to this family. May God keep you and comfort you in this time of bereavement. Love Ethelene and Johnny Johnson.
