“ Lolanda and I started our work journey together years ago. That work relationship and respect for one another was instantly formed. Lolanda was a beautiful spirit with a great smile and a natural caregiver. Hospice is a time of grief and hardship and she brought comfort and a light to so many families. Our work relationship quickly grew to a friendship. There were years where our only conversations were in the halls of a nursing home or the driveway of a families house. These conversations were quick but bonded us, we shared family events, trips, birthdays, current job struggles, goals and dreams. When Lolanda first mentioned owning her own care home for hospice patients I was excited! I knew she had the heart and work ethic to make that dream a reality, and she did! She made it even better than I think she even knew she could! She loved her family and loved and trusted the lord! Lolanda was one of the good ones! She was a walking angel on earth and though I will miss her and our talks I know she is where she was always meant to be. Our life on earth is not ours to have we are just a shell with a limited time to be and do what God has always planned for us. My heart hurts but my soul is at peace. I will carry her memory with me always, her #1 nurse, a dear friend! ❤️

Lan will be truly missed by everyone who knew her . She had a very sweet spirit and always had a smile on her face . I remember going over to their home when I were a teenager hanging out with her two younger sisters Shethy and Dee Dee and she was always cheerful. Heaven has gained a beautiful sweet Angel.My continued prayers and condolences for the family . 🙏🙏 Rest In Heaven Sweet Angel 🕊️🌿

“ *We met Lolanda last year when she was with Hospice of Grace. They sent her to our house to help take care of my Mom who is suffering from Alzheimer's. The first time she met my Mom, my Mother wouldn't have anything to do with her. Lolanda just laughed and said, "she'll change her tune,,,just give me a couple of visits." She was completely right. Mom came around and they got along like two peas in a pod! So well in fact that when Lolanda opened her business to take care of Hospice patients and we needed full time care for Mom, she was the obvious choice. We never had to worry when Mom was under her care. She had a gift and the biggest heart ever! We never ONCE saw her without a smile on her face. We are privileged to have known her. Our thoughts and prayers go out to her family. May she forever rest in peace.*
