“ To the family of Pastor Lordy Randle, condolences to all of you. You all knew that y'all had a very special dad, in more than one way. First of all every since I knew him as a little girl he was a Godly man, then a good husband and good dad and grandpa. I never seen this man shift ships ever in his life. He was always who he was a good, loving and real man that was lead by God. He held on to his faith and never let go. His faith took him on to be with Aunt Velma and Gladys. Thank you Uncle Sam and your family for being real people, y'all have always been nice and the same to me. Praying God's blessings and strength upon you all, I love you all.

“ Uncle Sam I didn't know that on July 10, 2023 would be my last time visiting you. God needed you the most and I'm forever grateful for your present. Always smiling when I seen you and always nice. You were a God fearing man who Minister the word that fed you forever. You was truly Gods servant. With a spirit so humble. You and my Grandma Ola have that same spirit that draw people to y'all. And that's what I love most about you. Uncle Sam I love you and truly truly going to miss you. Take your rest. And welcome home. Love your Niece Naisia and Dec. Charles Brown. Praying for my family that God will give us peace and understanding . Strengthen us where we are weak. Keep your arms wrapped around us in this time of need. Love y'all my Randle family .
