“ My baby brother we had some good Mike, we laughed, we cried, we got angry with each many times, but we always manage to come back to each other. I pray that one day we will meet again when the Lord call of his people home. I pray your is resting with mama, daddy (Son), Dorothy, Frankie, Curtis and our other siblings. I can't leave out your little Ariel, my great niece. My heart his hurting right now because you are gone, but because I that God has you in a better place I can gone to the next level. I want to tell you that I finally to walk in the calling that has put upon my life, but I think you already knew that on November 25, 2014. I count it an honor to be there to hold hand, rub your fat ball head, pray with and for you, but most of all to sing that song to you as you transition on to be with the Lord. Man you got in me back in those jeans anyhow and you got that \$50.00 you got for out of me and Tony. That same day we gave it to Rene for Ne Ne.

*Luther you will never be forgotten;*

*My baby brother, my best friend, my doctor when I needed you to be, you drove me crazy at times more times than you know, but you were just being Mike.*

*I will Love and miss you always*

*Your sister that you always said was older than you, but you are older than I am.*
