“ Rest in Heaven, my dear cousin. I have so many memories, most of them when we were young pre-teens and when Mother & Dad made the road trips from Cali to Corsicana during the summers. You and Aunt Lucy would be standing on your front porch waiting for us to pull up. Oh, those were some of the best summers of my childhood along with the fun of walking to Aunt Maggie's house to hang out with Pee Wee, Sista, Leural and the whole gang. The sound of your voice as well as Aunt Lucy, Uncle Vernon, Spanky, Rip - & the entire Corsicana family, will ring in my ear forever. Condolences to your children. I know this is so hard for them and I will keep them in my prayers. Until we meet again. (A)Leatha Fay

“ Dear Family:
Though miles and years stood between us—California and Texas could never separate the bond of our kinship. Through social media we bridged the distance with messages of love, concern and faith. We shared our hearts across the screen—holiday greetings, words of encouragement and moments that reminded us that family is forever. Her strength was a light, her thoughts stayed on God, her family, her health and her heartfelt prayers for our nation. She carried grace even in her trials and leaves behind a legacy of faith and love that will never fade. This is a tremendous loss and my heart aches with you all. Yet I take comfort knowing her spirit rests in peace and that our bond remains unbroken—eternal in memory and love.
