“ *Will always remember Mrs. Love as one of my favorite patients. Coincidentally, her son-in-law and then daughter, Rosie became a part of our work team. My heart goes out to the entire Love family for eventual peace and understanding for your tremendous loss. Always, Veronica(MS V) Sneed*

“ *When we lose someone we love
We must learn not to live without them
But to live with the love, joy, laughter and
memories they left us.
My prayers are with you and the family.
Love you dearly and praying for strength and
comfort.
With love from Quenail, Ja'Kobe, Aunt Jean and Zach.*

“ Dear Charles, Benjy, Maria, Talitha, and Rosi,
How my heart breaks for you all. I am so devastated I can hardly write this to you. Your mother/wife was the most beautiful person inside and out. She was so kind-hearted, so funny, so fun, so loving. She had a heart of gold! Although we weren't able to see much of each other after you all moved to Texas and I moved to Florida to care for my aging parents, the memories of our times together in St Croix feel like it was just yesterday we were all at my house laughing and enjoying life! Maria kept us laughing and happy. She had so much energy and spirit! Charles...you were the best thing that ever happened to Maria. You gave her a second chance at life. I so enjoyed listening to her stories about your dance classes and how you met. She always beamed with happiness talking about you. Benjy, Maria, Talitha and Rosi...your mom was an exceptional woman and mother. She loved you all so much and was always so proud of you. I remember the day, Benjy and Maria, you came runny over to my house because you couldn't get into yours. You lived right across the street from us. Becky and I and your mom and the two of you all became fast friends and it was the start of a wonderful relationship with you two and your mom. Then when you, Talitha and Rosi, were born, we all became a big happy family, spending a lot of time together. I was even able to get together with Maria once in Providence when Talita was studying there. Even then, we spent the time laughing and reliving fond memories. I loved Maria so, so much and always will. She will always have a very special place in my heart. I love you all too! You are part of my family and always will be. God took Maria too soon, but He has her wrapped in His arms now. My prayers are with you today and always.
Love, Nancy
