In Loving Memory of Maudie

Maudie was not only a great teacher but also a remarkable person and a cherished member of our Prairie View A&M University Homecoming tailgate team. Her heart of gold and radiant smile could light up any room. She brought warmth, joy, and an unshakable spirit to everything she did. Her legacy will live on in the lives she touched and the memories we hold dear. That's a heartfelt and personal message. Here's how it could be combined with the earlier tribute for a more complete memorial note: Hey Maudie, hold down the tailgate party in heaven until we get there. Much love, Yo boy, TA!!

My condolences to the family in this season of great loss. Maude and I worked together at Hoffman; she was my next door neighbor on the 300 hall. She was the math teacher on our team and an exceptional one, too! She loved her work, loved and cared deeply for our students. Her legacy lives on in the lives of the many students that sat under her instruction. May her sweet memories remain alive in our hearts.
