“ *To the family, on behalf of the McFarland family for all that you have done for them at Pleasant Grove Baptist Church, thank you. Sharing Pastor Barber with so many, to include our family was surely God led through the faith that only Jesus Christ could give. When you all shared him, you shared your entire family, and you all did it well through a mortal man who was spirit led and filled til his cup ran over. Thank you, and to God be the Glory for his beautiful spirit.*
