I asked uncle Michael what u doing he said am working I told him I would help he gave me a trash bag. I didn't last a hour that man was still moving like he just started. He said Leslie I knew you couldn't keep up and laughed, uncle Micheal I think about you everyday I still hold on to that rose from your funeral. I WILL NEVER BE THE SAME!!! “ We are going to miss our neighbor so much. He always had a smile on his face and always willing to help out. My husband told me if he called anyone a friend, it would be Michael- for my husband to say that means a lot because he doesn't call just anyone a friend. RIP Michael...prayers to the family.

“ My prayers go out to his family. I don't know any of his family. Every time he would come into my barn he was so happy. He didn't talk much to me because he would be on his phone. But truly am going miss him not coming in. God bless you and just remember that we all see him again. Gloria West- Tobacco Barn

*Sorry I never told you
All I wanted to say
Now it's too late to hold you
'Cause you've flown away
So far away
Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive
Alive
And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Darling I never showed you
Assumed you'd always be there
I, I took your presence for granted
But I always cared
And I miss the love we shared
And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Although the sun will never shine the same
I'll always look to a brighter day'n Your Baby Sister Kim.*

It is not often in this life that you come across an individual who is to the core, a good and decent person. Mike exemplified who he was--a person of integrity, character, and honor. I was fortunate to work with Mike at Prairie View A&M University. He was dependable, happy to be involved, and always willing to be of assistance wherever his unique skills were needed. It was in his presence, that one knew Mike was a caring, and loving soul. His smile was infectious. Your life counted. Job well done, Mike. I am, indeed, grateful that our paths crossed. My deepest sympathy is offered to the Davis family.

It is still very hard to this day, it has nearly been a year, but it seems just like yesterday, I still can not believe this, I know that GOD makes no mistakes, but yes I asked GOD why, that's just the human part of me. We never got to say goodbye, we were not even presented while he was leaving us, THAT I still have not come to terms with, I may never. GOD please tell Michael that his Mother and Sisters love and Miss him.

Kimberly Jackson - January 06, 2018 at 10:05 AM

I can't let a day go by without talking to GOD about the whys that I have, I know GOD that Michael was on loan to us, but that does not change the fact that we miss him, so yes I am being selfish wanting he and Daddy here with me, but I trust YOU and I know that I will see them again on the other side, arguing over them dominoes.

*Every time I think of you
I always catch my breath
And I'm still standing here
And you're miles away
And I'm wondering why you left
And there's a storm that's raging
Through my frozen heart tonight
I hear your name in certain circles
And it always makes me smile*

*I spend my time
Thinking about you
And it's almost driving me wild
And that's my heart that's breaking
Down this long distance line tonight*

*I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter
What my friends say*

*There's a message in the wild
And I'm sending you this signal tonight
You don't know how desperate I've become
And it looks like I'm losing this fight*

*In your world I have no meaning
Though I'm trying hard to understand
And it's my heart that's breaking
Down this long distance line tonight*

*But I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what I might say*

*And there's a message that I'm sending out
Like a telegraph to your soul
And if I can't bridge this distance
Stop this heartbreak overload*

*'Cause I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what I might say*

*I ain't missing you (I ain't missing you)
No way
Since you've been gone away (I can lie to myself these days)
I ain't missing you*

*And there's a storm that's raging
Through my frozen heart tonight
And I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friends say*

*I ain't missing you
I ain't missing you (I can lie to myself these days)
I ain't missing you at all, I ain't missing you (No way, baby)*

*No matter what my friends say (I'm doing fine here)
And I ain't missing you at all
I ain't missing you
I keep lying to myself every time I think of you*

*I'm okay
I'm doing fine here from day to day
I ain't missing you
I can lie to myself*
