Dr. Bryant was always a kind person. I was first introduced to him when my sister worked in the College of Engineering. My the Lord give the family strength.

*Dr. Bryant was a very kind gentleman. As a student in one of his classes, he was very polite and would take his time to help you. Though he is not present in the body his spirit will continue to live. I pray to GOD for him to provide peace, love, and comfort during this difficult time. Remember the great times that shared with your love one. Remember, the light is dim now, but the sun will shine again. Trust in GOD and keep your faith. He will see you through this difficult period.*
