“ *Grandmother - you're the only great grandparent I have known, and it has truly been a blessing getting to know you. My sister and I enjoyed visiting you on the weekends as we were growing up. Even when we would bring our cousin Shaun with us. I still cannot believe you're gone. We're going to miss talking to you and seeing you.*

R.I.P Grandmother - you are truly missed but never forgotten.

“ As a kid,we [sister Bridgetta & brother Danny] would spend lots of summers with Grandmother & had so much fun.Then we had children of our own who were so thrill to have a great grandmother to love & to talk to.Grandmother you may be gone but we will never forget about you or the precious memories we have.You will remain alive in our hearts as we know that you are among God's angels & will be watching over us with a smile.I will miss you Grandmother.
