“ Ms. Cole was one of the most dearest person I have ever known. In fact, she was the first person I met at PVA&M. She was always helpful and had the greatest smile. Her daughter Vicki was not far from that as we worked together in Hempstead ISD. My thoughts and prayers go out to the Cole family.

“ Well Baby Doll. Missy and Cousin Cole to our family. The curtain was drawn and you took your final bow. Your Usher March and the Homecoming booklet and the kitchen crew won't be the same. We will miss you and all that you have done for many along this journey. Rest and talk to Ms Idean and Mike and all the family. We say good night for now and we will see you in the morning.

“ My deepest condolences and sympathy to the Cole Family. Mrs. Cole was one of sweetest ladies that ever worked at Prairie View A&M University. I first met her in the Registrar’s Office and we immediately connected because of her caring and no-nonsense demeanor. She helpful and stern with all the students. When she and the other ladies retired from the University, that void has not been filled because folks don’t have the humane care, it’s all about the computer. May her soul Rest In Peace 💕🙏

“ I remember her as a beautiful and gracious queen, a loving and devoted mother not only to her family but to so many gifted and aspiring college students during her distinguished tenure as an administrator in service to Prairie View A&M University. A woman with a great sense of purpose, courage, wisdom, Faith, and friendship to all who crossed her path, Mrs. Cole will surely be missed.
