“ *Minister Richard Jerrod Young (July 08, 1972 - February 17, 2017). Five years have passed since the Lord called you to your Heavenly Home on High. Your parents, Alvin & Beverly Young, brother (Reginald), and children (Lorenzo, and Raven) miss you dearly. We know you are in a better place. As much love we have and had for you, we realize that God loved you more. You maybe out of our present, but not out of our heart. Until we meet again, still have a lot of love for you.*

“ *Minister Donald Sherman from the Magnolia COGIC where the Elder Carl Powell is the pastor. I've know Rev. young for 23 years now. It was always a pleasure to be in his presence. I enjoyed his preaching the word of God as well as his singing voice. His father and mother are great friends of mine. I'm glad that they shared their son with so many people. May God rest his soul until we meet again.*

“ Richard was a blessing to his co-workers and management team at Sears, Deerbrook in Humble. Never an unkind word to a customer or co-worker, he was a "gentle giant". I was very impressed with his dedication to work in the face of obvious great pain. I grew fond of Richard and am truly sorrowful in his passing. I will always remember his wonderful smile and flair for dressing. RIP, Sir Richard. (which is how I addressed him at the store) You are missed. Prayers and blessings for your family. Love, NormaJean Russell

“ To Uncle Alvin, Aunt Beverly, and Family:
Words could not express the sadness in my heart when I learned of Richard's transition. I can only imagine the painful grief that you are, have, and will endure. Richard was a joy to be around and wonderful person in general. Prayers are lifted daily for you and your family. Love you...

“ *I am still in shock and disbelief that you have passed on to your Heavenly Home. The memories that you left me with will forever live on in my heart. I know your preaching and singing up there as you did down here. Until we meet again, its not a good bye...it's I will see you later. R.i.p my dear friend...*
