“ *My sincere condolences, I'm so sorry, I didn't know my friend was no longer with us. I met Ricky at his job 2yrs ago, we became friends who didn't talk frequently but always shared a laugh or two when we would see each other. I googled his name when he didn't respond to my text which was unusual, only to find this devastating news. Again I'm truly sorry and saddened by this. May God bless and comfort everyone who knew Ricky.*
